After discussions with the Passaic County Administrator and a representative of the Governor's Office, it has been recommended **to close the municipal building to the public. The municipal staff will still be in their office to answer phones and help residents with any issues they may have;** please refer to the municipal website at www.northhaledon.com for the phone numbers of the office staff. If anyone comes to the municipal building, they will not be allowed access, but there will be a list of phone numbers posted on the front door, so anyone can communicate with the departments via phone.

The scheduled council meeting will still be held at 7:30 p.m. this coming Wednesday, March 18th in accordance with Governor's directive since there will be less than 50 people attending.

William Paterson University has been designated as a testing facility for the corona virus for residents of Bergen, Essex, and Passaic counties. Only individuals, who are being referred by physician, will be given the test.

**NO ONE WILL BE ADMINISTERED THE TEST FOR THE CORONA VIRUS
UNLESS THEY HAVE BEEN REFERRED BY A PHYSICIAN**

The North Haledon Police Department will continue to be there for you, as will the North Haledon Fire Department, and the EMS from the Paterson Fire Department.

The complete list of the Governor's orders are on the Borough's website, and I encourage you to read the order in its entirety to protect you and your families.

If you have any questions, you can contact my office at (973) 427-4129.
